

Hello

I am Hashaa, I hope my letter arrive before Christmas.

I wish you Merry Christmas.

I became student this year and moved to Ulaanbaatar.

I used to live in countryside, Now I live in Ub in student boys house.

Everything has been very new for me like home, school, friends and church.

I am trying to handle all new things that comes in my life.

I will do my best to accomplish my university.

I know that you support me to study in university and I will not break your faith.

I study as building engineer. I work at CU shop as part time.

Thank you so much all your help and helped me to study in university.

I wish you all all good things

From Hashaa.
